THE CAMPAIGN TO IMPROVE THE
LIVES OF PENSIONERS**

Presidents:

Jeremy Corbyn MP for Islington North
and Lord Smith of Finsbury

CHARITY NO: 104081

OUR AIMS

Our aims are to reduce isolation and loneliness and to champion the rights and dignity of pensioners, locally, London-wide and nationally.

Through our monthly Forum meeting at Islington Town Hall and by sending out our regular newsletter, we highlight issues that affect older people such as the state pension and health services.

We campaign to raise awareness and make changes to save post offices, the freedom pass and anything that affects pensioners.

AFFILIATIONS

Islington Pensioners Forum is affiliated and works closely with local and national organisations including the National Pensioners Convention (NPC), Age UK, Islington Community Network and Voluntary Action Islington (VAI).

FUNDING

Islington Pensioners Forum is funded by various charities providing means to produce our newsletter and to pay a part-time office worker.

Islington Council provides our premises including a community room for meetings which can be hired by other groups.

DONATIONS

We are grateful for grants and donations and welcome any donations small or large that you could send!

HISTORY & ORGANISATION

Islington Pensioners Forum (IPF) was founded by Liz McKeon who campaigned for pensioners to have a voice in their own affairs. IPF's joint presidents are Jeremy Corbyn MP, who sometimes attends the monthly Forum meetings, and Lord Smith of Finsbury.

The office is staffed by a part-time office worker and IPF volunteers under the guidance of the Chairman along with a committee of 11 other pensioners elected annually at the AGM.

IPF organises a range of activities and outings, including theatre trips, lunch and craft sessions and film club.

Our website and Facebook page keeps members up to date on the latest IPF news and dates.
